

**CUMBERLAND HOUSING
GROUP**

Attachment No. 3

HOUSE RULES

As a Tenant you shall comply with the House Rules herein set forth governing the lease, the apartment, the grounds, and all other areas of the affordable housing property in which you have chosen to reside, hereafter referred to as the Cumberland Housing Group (CHG). You are required to consult and comply with such other House Rules and any alterations or changes in the House Rules which the CHG, at its discretion, hereafter shall and may adopt for the said community. CHG shall not be liable to Tenant or anyone claiming under Tenant for any violation of such House Rules or by the breach of any covenant, term, provision or condition in any lease by any other tenant in the community. House Rules are a HUD mandated and recognized addendum to the lease, and therefore any failure to comply with House Rules is considered a lease violation and could be grounds for lease termination.

ADMINISTRATION

ABANDONMENT OF UNIT

Abandonment is distinguished by the tenant's failure to pay the rent due for the unit, and failure to acknowledge or respond to notices from CHG regarding the overdue rent. In the absence of actual knowledge of abandonment, it shall be presumed that the Tenant has abandoned the dwelling if Tenant is absent from the dwelling for a period of fifteen (15) days from the date of discovery, the rent is not current, and tenant has not notified the CHG in writing of an intended absence, or otherwise as provided in this agreement. Housing Assistance Payments cease the day the unit is discovered to be abandoned. Abandoned property and the eviction process will be initiated in accordance with Maryland state law.

ABSENCE FROM THE UNIT

An extended absence from the unit is not the same as abandonment of the unit. The tenant must inform CHG management if any household member will be absent from the unit for a period exceeding one calendar week but not to exceed 60 continuous days for personal reasons or 180 continuous days for medical reasons. In cases of extended absences, households may be away from the unit, but are still paying rent. However, the family is eligible for assistance only if the unit is the family's sole residence. CHG will initiate termination of assistance and/or tenancy if the tenant fails to inform management of the absence or if the absence lasts longer than indicated.

ANNUAL RECERTIFICATION

An annual re-examination is required to be completed each year, due by the first of the month that corresponds to your original move-in month. Four months prior to this annual date, you will receive notification to begin the annual re-examination process. You will be notified in advance by a letter from management of the appointment date and time. Please keep all of your important papers, invoices, bills, etc. listed below in a box or envelope between certification periods

All Households:

1. All income notifications and receipts and pay stubs from the time you moved in or the last annual recertification. Include verification of salary, pensions, etc. and any increase since the last recertification.
2. All assets must be verified. Bank statements are required for checking and savings accounts, direct deposits and investment statements will be reviewed also. Any interest accrued and paid out to you from the previous year will be considered on your annual recertification.

Elderly and Disabled Households:

1. Save all receipts, bills, and explanation of benefits papers for medical deductions, including eye care, dental and medical. These deductions help to lower your rent amount.
2. If you take medications, you will be asked to get a print out from your pharmacy for the past twelve months for prescription and non-prescription drugs, as long as your physician ordered them.
3. All medical insurance premiums you pay must be verified by your last payment receipt.

CHANGES TO THE HOUSEHOLD

Any additions to the household including Live-in Aides and foster children, but excluding natural births, adoptions, and court awarded custody require the advance written approval of the CHG. Such approval will be granted only if the new family members pass the CHG's screening criteria and a unit of the appropriate size is available. Permission to add Live-in Aides and foster children shall not be unreasonably refused. Tenant agrees to wait for CHG's approval before allowing additional persons to move into the premises. Failure on the part of Tenant to comply with this provision is a serious violation of the material terms of the lease, for which the CHG may terminate the lease. Tenant shall report deletions from the household (for any reason) to the CHG in writing, within 10 days of the occurrence.

CHANGES TO HOUSE RULES

The CHG reserves the right to add, remove, update, or change the terms of the House Rules so long as any addition, removal, update or change remains in accordance with HUD, State, and local law. In the event that a change to House Rules is found to be necessary by CHG, a written notice must be given to tenants 30 days prior to implementing the change. The change will not be permitted to take place until the 30 days has expired.

CHARGES DUE UNDER THE LEASE

In addition to rent, the Tenant is responsible for the payment of certain other charges such as late fees, insufficient fund fees, trash removal, costs related to repair of tenant damages, etc. Charges in addition to rent are due no sooner than two weeks after the Tenant receives CHG's written notice of the charge.

EMPLOYEE RESPONSIBILITY

Employees of the CHG are not authorized or permitted to accept packages, keys, money or articles of any description from or for the sole benefit of the Tenants. Designated employees of the CHG are permitted to receive these items in the course of CHG business.

INSPECTIONS

The CHG will inspect each unit at a minimum of one time each year and up to as many times as necessary to check for needed maintenance, tenant housekeeping, safety, pest control and other lease compliance matters.

The CHG staff reserves the right to take photographs at any time of the exterior or interior of any unit for the purposes of documenting housekeeping conditions, lease violations, maintenance related items or other purposes connected with the operation and management of the unit and surrounding community. These photographs will remain property of the CHG and may be shared with social service agencies, contractors, law enforcement agencies, for legal purposes or other reasons necessary for the operation of the CHG.

NEWSLETTER

The monthly newsletter is distributed to all rental units at the beginning of the month. The newsletter will contain notices of importance including exterminator schedules, unit inspection schedules, and events being sponsored by the CHG or the Resident Organizations. The current newsletter is always available on the CHG web site at www.cumberlandhousing.org under the Newsroom tab.

NOTICES

Written notices related to important general subjects, revisions to rules and regulations, bulletins & flyers pertaining to various activities, etc. are distributed periodically to each rental unit, posted on the Cumberland Housing Group website and Facebook page and/or are posted in the community rooms at the development. Make it a point to read and understand fully all postings, as they affect your status as a resident of the CHG.

Any notice which directly relates to a tenant's residency must be provided in writing, delivered to the Tenant or to any adult member of the household residing in the dwelling unit, or sent by first-class mail addressed to Tenant. Unopened, canceled, first class mail returned by the Post Office shall be sufficient evidence that notice was given, whether signed or unsigned. If the Tenant is visually impaired, all notices must be in an accessible format.

RECYCLING PROGRAM

The CHG participates in a Recycling Program. Containers for recycling items are clearly marked as to what type of recycling product goes in the container and are located at the community's dumpster containment areas. Residents are strongly encouraged to participate in the recycling efforts.

1. Mixed Paper Recycling
Newspapers, magazines, catalogs, junk mail, office paper and phone books. Hard covered books, tissues and paper towels are not accepted. Cardboard boxes must be broken down before placing in container.
2. Co-mingled Recycling
Plastic containers, glass containers, aluminum and metal cans. Plastics #1, #2, #4, #5, and #7 are accepted for recycling. Plastic containers must be larger than 2" X 2" and no larger than 2 gallons.

Items NOT accepted for recycling: pizza boxes, Styrofoam, plastic bags, plastic containers (unless indicated with recycling codes), candle jars, glass dishes, light bulbs, tissues, paper towels, paper plates, plastic covers/food wrappers, brightly colored or very dark paper.

RENTAL PAYMENT

Your rent is based on 30% of your income, and you are expected to pay your rent on time every month. Rent Statements are delivered or mailed to Tenants on or before the last day of the month for rent and other charges due the following month. The Rent Statement must accompany all payments regardless of payment location. Rent Statements must be paid in full, unless adjusted by the CHG.

Rent and other charges can be paid using the following methods and locations:

1. Through the use of a bank generated monthly account withdrawal often referred to as an Automated Clearing House or ACH transaction, which can be set up with your Property Manager or at the Main Office. The ACH automatically withdraws your rent amount each month from your designated account with no action needed by you. If you would like to sign up for this service, download and complete the Authorization Agreement for Preauthorized Debits form at <https://www.cumberlandhousing.org/rental-payments/> and submit the form to one of our offices.
2. Through the use of a credit or debit card. Go to the home page of www.cumberlandhousing.org and select "Click Here to Make Online Payment" or manually using the credit card terminal located within the Main Office lobby. A finance charge of 3% does exist for credit payments.
3. Through the use of the secure drop box located next to our Main Office entrance located at 635 E. First St., Cumberland, MD 21502 or at those developments with a designated secure drop box.
4. Sent by first class mail to the Cumberland Housing Group at the East First Street address.
5. Public Housing Only: At the Cumberland Centre Street or White Oaks branch of 1st United Bank. The bank will only accept payment in full of the charges as they appear on the Rent Statement.

Note: The CHG will not accept cash at any offices or by mail. All payments must be in the form of a personal check, cashier's check or money order.

Payments for Public Housing Developments (Jane Frazier Village, John F. Kennedy, Queen City Tower, Banneker Garden, Willow Valley, Grande View and Scattered Sites) are to be made out to the Housing Authority of the City of Cumberland or simply HACC. After the seventh (7th) day of the month, rent is considered late, and a late penalty in the amount of five percent (5%) of the contract rent is assessed.

Payments for Section 8 PBRA/Multifamily Housing Developments (River Bend Court) are to be made out to the name of their development. If the Tenant does not pay the full amount of the rent shown in the current lease by the end of the 5th day of the month, the owner/agent will charge a fee of \$5 on the 6th day of the month. Thereafter, CHG will charge \$1 for each additional day the rent remains unpaid during the month it is due

If Tenant fails to make the rent payment before the day of the month indicated above, a Notice of Non-Payment of Rent is delivered to the Tenant on the following day which advises the Tenant that their Lease will be terminated fourteen (14) days from the date of the Notice. After this fourteen (14) day period, the CHG will file, in the District Court of Allegany County, Maryland, an action for Non-Payment of Rent (also known as a Rent Suit) and seek a judgement for Possession of the unit. During any twelve (12) month period, if the Tenant has three (3) Judgments of Possession entered against the Tenant, the CHG, as part of the fourth (4th) action for Non-Payment of Rent filed during the same twelve (12) month period, will request the Foreclosure of the Right of Redemption.

RETURNED CHECK OR ACH

The CHG will charge the Tenant a \$25.00 processing fee for any personal checks or ACH returned for Non-Sufficient funds or other reason (a closed checking account, stop payment order, etc.). If a check is not honored by the payment due date, the rent will be considered unpaid and late charges shall apply. The CHG will provide written notice to the Tenant of the amount of handling charge owed and such charge shall be due within five (5) days after the date of the written notice. If more than two (2) personal checks or ACH's have been returned at any time during the tenancy, no further personal checks or ACH's will be accepted. Money orders or cashier's checks will be the only form of payment accepted after that point.

STAFF SOLICITATION

Tenants are asked not to ask the CHG staff or any of their contractors for items such as drinks, cigarettes, food, car rides, money, etc. The CHG staff and contractors are not permitted to provide you with any of these items.

WAIVER

If CHG delays, fails to, or only partially carries out a right they are expected to exercise as outlined in this document, they are not permitted to create a waiver at any time that protects them from failing to exercise that right, or exempts them from having to exercise that right in the future.

The CHG is not permitted to rely on oral understandings, terms, or conditions. They must rely solely on the terms and conditions outlined in this document, the lease, and lease attachments. Further, the CHG nor the Tenant are permitted to rely on any outside representatives, expressed or implied, that are not contained in the lease agreement or attachments. No terms within this document or the lease can be changed or supplemented orally.

WEBSITE

The CHG uses its website www.cumberlandhousing.org to post important events and commonly requested information. The site contains a method to request a work order, review a lease, read policies, and many other useful functions. Check it out!

MAINTENANCE SERVICES

EMERGENCY MAINTENANCE REQUESTS

If a need for assistance from the Maintenance Department arises which involves hazards to life, health, or property as listed below, immediately call the Maintenance Department at **301-724-2055**. **The list of items that the CHG Considers Emergency Maintenance Requests includes:**

- | | |
|--|--------------------------------|
| 1. Locked out of apartment | 8. Fire (call 911 first) |
| 2. Natural Gas leak | 9. Sewer Backup |
| 3. Clogged Commode (where there is only one) | 10. Major Water Leak |
| 4. No Heat in Apartment | 11. Security System Call |
| 5. Refrigerator Not Working | 12. No Hot or Cold Water |
| 6. Elevator Not Working | 13. Smoke Detector Malfunction |
| 7. No Electricity in Total Apt. | |

Emergency repairs will normally be made within 24 hours.

After normal business hours, the telephone number is answered by a third-party answering service which will ask you for your name, address and telephone number along with a description of your problem. They will contact the maintenance person on call who will get back to you. Be sure the call is one of the items listed above. **DO NOT CALL** during non-work hours for something that could wait until regular hours, as charges may apply.

NON-EMERGENCY MAINTENANCE REQUESTS

If the need for assistance from the Maintenance Department arises which does not involve those items listed above, then call the Maintenance Department during normal working hours Monday thru Friday 7:00 a.m. to 5:00 p.m. at **301-724-2055**. Please request service promptly as an early repair job often saves a lot of trouble and expense.

Maintenance personnel are not permitted to move, rearrange or otherwise handle any interior furniture in the Tenant's premises unless necessary to perform required maintenance items.

MAINTENANCE COSTS

Maintenance involving normal wear and tear type of work items will be performed at no charge.

The Tenant is responsible for paying the cost for the repair of damages to the dwelling unit, project buildings, facilities, common areas or grounds beyond normal wear and tear, caused by the Tenant, occupants, guests, family members, and any other persons related to or "affiliated with" the Tenant including someone breaking or entering into your unit and police damage. Charges will be based on the actual cost to the CHG for the labor and materials needed to complete the work. If overtime work is required, overtime rates shall be charged.

EXTERMINATION

Extermination service is provided on a regular basis at no cost to the Tenant. This is performed in all units and **cannot be refused**. Tenants are required to keep all living areas clean at all times. Bedrooms must be accessible and not locked, and screen doors unlocked. Tenants will be advised of the date that the exterminator will be visiting their unit through the monthly newsletter. Tenants will be advised of any special visits and what advance preparations to make, if any, through a notice that will be mailed or hand delivered. Failure to make preparations requested by the CHG or to allow entry to the exterminating company will be deemed to be a material breach of this lease. If it is found that within 30 days of initially leasing the apartment that you have an infestation of any kind within your personal belongings, you will be responsible for any costs that arise in eliminating the infestation of those belongings.

HEATING

All thermostats are set to operate in a 65 – 75-degree range regardless of who pays the utility bill. That is considered a properly operating heating system degree range. If the temperature in your rental unit is below 65 degrees or warmer than desired, notify the Maintenance Department at **301-724-2055** and your temperature control will be checked to see if it is operating correctly and adjusted as needed. **DO NOT**, under any circumstance, attempt to force the temperature control higher than the stop is set. This action will break the temperature control and you will get no heat until a new temperature control is installed. If you cause this to happen, you will be charged for the new temperature control and labor for installation.

If for any reason the Tenant is unable to maintain sufficient heat, he/she shall immediately notify the CHG. The Tenant shall be charged for all damages resulting from failure to maintain sufficient heat or failure to notify the CHG, except for causes beyond Tenant's control. Tenant agrees to maintain sufficient heat to the dwelling unit to prevent freezing of piped water.

Note: Any call received by the CHG after normal working hours for the lack of heat in an apartment below 68 degrees, where it is determined by the maintenance staff person by using a temperature measuring device that the temperature is at or above 68 degrees, the Tenant will be charged for the service call. The charge will be for the amount of time spent on the service call at the current maintenance overtime rate per hour including travel time.

LOCKOUT SERVICE

Up to one (1) key and/or building access card per resident over the age of 14 is permitted for your apartment, two (2) keys to your mailbox and if needed, one (1) access card for the River Bend Court Laundry Room are furnished to you upon move-in. If you should lose them or need additional keys/access cards, a charge in accordance with the current price will be made to your account. Don't forget your key/card when you leave your unit. If you lock yourself out and a CHG employee has to unlock your door, you will be charged according to the current price list. **REMEMBER - Have your key and access card with you at all times.** Tenants will not hold the Cumberland Housing Group liable for the extended time the Tenant is locked out of the unit.

REGULATIONS

ABILITY TO COMPLY WITH LEASE TERMS

If, during the term of this Lease, Tenant, by reason of physical or mental impairment, is no longer able to comply with the provisions of this lease, and cannot make arrangements for someone to aid him/her in complying with the lease, and the CHG cannot make any reasonable accommodation that would enable Tenant to comply with the lease THEN; the CHG will assist the Tenant, or designated member(s) of Tenant's family, to find more suitable housing and move Tenant from the dwelling unit. If there are no family members who can or will take responsibility for moving Tenant, the CHG will work with appropriate agencies to assist the Tenant in finding housing independent of terminating the Lease. At the time of admission, all Tenants must identify the family member(s) to be contacted if they become unable to comply with lease terms.

HOLIDAY DECORATIONS

Holiday lights and decorations are permitted indoors provided that no damage is done to the unit. Taping lights and decorations to the walls and woodwork is not permitted as it leaves a sticky residue and can remove the finish. Tenants are **not** permitted to have a live Christmas tree anywhere on the CHG property.

No lights or electrical holiday decorations are allowed on the outside of rental units. Due to health and safety violations, electrical cords are not permitted to be run through the windows and doors at any time.

Residents of buildings with interior halls, elevators, railings, stair towers, etc. are not permitted to place any decorations in or on any of these areas.

HOUSEHOLD GUESTS

Visitors to all CHG properties and communities are welcome; however, the lease signed by each adult Tenant makes that Tenant responsible for the conduct of their visitors.

Visitors are expected to abide by all the rules and regulations that Tenants are subject to, as well as all laws which govern the State of Maryland and Allegany County. A violation of any such law or regulation is a violation of this policy, and Tenants whose guests make such a violation are subject to consequences including lease termination.

Tenant's may have guests or visitors for a period not exceeding fourteen (14) days each year. Permission may be granted, upon written request to the Property Manager, for an extension of this provision. Tenant agrees to inform the CHG in writing, of anyone not listed as a household member staying overnight more than three times during any 30-day period. The tenant is responsible for the conduct of any of their guest(s) at all times, until such time as their guest(s) leave the property.

The CHG reserves the right to request proof of permanent housing address if it is suspected that the guest is an unauthorized household occupant. Such suspicions may arise whenever an adult person(s) is making reoccurring visits or one continuous visit of 14-days and/or nights in a one-year period without prior notification to management. Should the tenant or the person in question not provide the requested information to CHG by the time specified, or should the facts not be evidence enough that domicile is elsewhere outside of the property, the CHG will consider the person to be an unauthorized person in the household and will enforce any lease covenants shown to be broken and/or terminate the lease or require the person to be added to the lease. Any person requesting to be added to the lease will be required to complete a rental application and will be liable for passing the background checks as outlined in the tenant selection plan.

INCIDENTAL BUSINESS (Project Based Rental Assistance/Multifamily properties only)

Under the HUD PBRA program, incidental businesses are allowed to operate within the units of PBRA properties. However, all business conducted on CHG property must be in accordance with the law, and are subject to all other provisions set forth in the lease, such that the health, safety, wellbeing, and peaceful enjoyment of other residents within the property's vicinity is not disrupted. Failure to conduct business in accordance with these guidelines is considered a lease violation, and is grounds for lease termination.

1. Income earned from incidental businesses that exceeds \$200 per month must be reported to CHG and is counted towards household income when calculating rent. Failure to report this income is a lease violation, and could result in lease termination.
2. Signs advertising your business or services are prohibited from being displayed on any exterior wall, door, yard, porch, or building on any CHG property. Signs are also prohibited from being displayed in unit windows, and in community spaces, except in such cases that CHG has permitted the display of a flyer on approved notice boards on the property. Signs or flyers displayed on the property without express approval will be removed and discarded, and any damage caused by their display will be repaired at the expense of the applicable tenant.
3. Any incidental business should be conducted within reasonable business hours. CHG recognizes that some incidental businesses, such as limited babysitting, must be allowed to be conducted after normal business hours. However, it is unreasonable to conduct disruptive business during sleeping hours.
4. Normal guest and parking rules apply to any visiting customers/clients of incidental businesses conducted within the property. Consequences incurred due to violations of these rules on the part of a resident's customer/client will be the responsibility of the resident.

LIVE-IN AIDES

A Live-in Aide is defined as a person who resides with one or more elderly, near-elderly, or disabled persons and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services.

Live-in Aides are welcome in CHG properties, with proper approval and screening. CHG must approve a Live-in Aide if needed as a reasonable accommodation in accordance with 24 CFR 8 to make the program accessible to and usable by a family member with disabilities. Request for a Live-in Aide can be made through the CHG Department of Property Management Services.

A Live-in Aide is a household member, not a family member, and the income of the Live-in Aide is not considered when calculating family income. For more information on CHG's Live-in Aide policies, please review our Live-in Aide Policy.

MOVE-IN AND MOVE-OUT

The CHG and Tenant or their representative shall inspect the dwelling unit prior to occupancy by the Tenant. The CHG representative will complete a Move-In Inspection form which will document the interior and exterior condition of the unit. The report will be signed by the CHG representative and the Tenant or representative with the original copy retained in Tenant's folder and the copy provided to the tenant at the time of inspection. Any deficiencies noted on the inspection report, if feasible, will be corrected by the CHG, at no charge to Tenant.

Moving of furniture is permitted to and from the rental units between the hours of 8:00 am and 8:00 pm only. Any packing materials, containers or boxes, which are used in moving, must be removed by the Tenant to whom they belong or disposed of properly.

Several developments have building access systems which will sound an onsite alarm and notify the police when doors remain open for a period of time. Please notify the Maintenance Department at least 24 hours in advance whenever you expect to be moving items in or out which will result in the doors being held open.

All damage to the leased rental unit, building or common areas caused by moving the property of the Tenant and all breakage or other damage done by the Tenant or his agents, employees, guest or invites as well as any damage caused by the overflow or escape of water, gas, steam, electricity, or other substance due to the negligence, neglect, fault or accident of the Tenant or the Tenant's family, guests, employees, or invites shall be repaired at the sole expense of the Tenant.

Tenant is encouraged to request a move-out inspection with their Property Manager prior to vacating the premises or turning in the keys to their unit. A move-out inspection could prevent charges from being incurred against the security deposit, provided that the tenant completes all items noted on the list. In order to provide a thorough inspection, all furniture and belongings must be removed from the unit prior to the request. Tenant should also leave ample time to complete any items prior to surrendering the unit's keys. In order to schedule a timely inspection, a 48-hour advanced request is recommended. Tenant and/or representative should be present during the move-out inspections so that there is no confusion on what is required, unless Tenant vacates without notice. The CHG will inspect the unit and give Tenant a written statement of the charges, if any, for which Tenant is responsible.

NEIGHBORS

Quiet time is 10:00 p.m. to 8:00 a.m. each day. Being considerate of your neighbors is a must. If you live above or below another family, try to adjust your home life to cause as little annoyance as possible to your neighbors. For any serious disturbances of any kind, contact the Police Department. Repeated disturbances or conviction in court of related crimes and/or municipal or civil infractions can result in eviction for the Tenant.

All Tenant complaints must be presented to the CHG in writing and signed by the complaining party in order for any formal action to be taken. All such complaints will be reviewed by the CHG and a response, if necessary, will be given in a timely manner. The CHG will document in the Tenant file all complaints not placed in writing or in the Security Reports at the time the complaint is received.

RESIDENT PROCEDURAL RIGHTS

1. Termination Notification

HUD is incorporating additional termination notification requirements to comply with Section 6 of the Act for public housing projects converting assistance under RAD, that supplement notification requirements in regulations at 24 CFR § 880.607 and the Multifamily HUD Model Lease.

A. **Termination of Tenancy and Assistance.** The termination procedure for RAD conversions to PBRA will additionally require that the Project Owners provide adequate written notice of termination of the lease which shall not be less than:

- 1) A reasonable period of time, but not to exceed 30 days:
 - If the health or safety of other tenants, Project Owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
 - In the event of any drug-related or violent criminal activity or any felony conviction; or
- 2) Not less than 14 days in the case of nonpayment of rent; and
- 3) Not less than 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.

B. **Termination of Assistance.** In all other cases, the requirements at 24 CFR § 880.603, the Multifamily HUD Model Lease, and any other HUD multifamily administrative guidance shall apply.

2. Grievance Process

In addition to program rules that require that tenants are given notice of covered actions under 24 CFR Part 245 (including increases in rent, conversions of a project from project-paid utilities to tenant-paid utilities, or a reduction in tenant paid utility allowances), HUD is incorporating resident procedural rights to comply with the requirements of section 6 of the Act. RAD will require that:

- A. Resident's be provided with notice of the specific grounds of the Project Owner's proposed adverse action, as well as their right to an informal hearing/settlement conference with Project Owner;
- B. Resident's will have an opportunity for an informal hearing with an impartial member of the Project Owner's staff within a reasonable period of time;
- C. Residents will have the opportunity to be represented by another person of their choice, to ask questions of witnesses, have others make statements at the hearing, and to examine any regulations and any evidence relied upon by the Project Owner as the basis for the adverse action. With reasonable notice to the Project Owner, prior to hearing and at the residents' own cost, resident may copy any documents or records related to the proposed adverse action; and
- D. Project Owners provide the resident with a written decision within a reasonable period of time stating the grounds for the adverse action, and the evidence that the Project Owner relied on as a basis for the adverse action.
- E. The Project Owner will be bound by decisions from these hearings, except if the:
 - 1) Hearing concerns, a matter that exceeds the authority of the impartial party conducting the hearing; or
 - 2) Decision is contrary to HUD regulations or requirements, or otherwise contrary to federal, State, or local law.
- F. If the Project Owner determines that it is not bound by a hearing decision, the PHA must promptly notify the resident of this determination, and of the reasons for the determination.

SMOKE and CO2 DETECTORS

HUD requires that a smoke detector be installed on each living level in all units and a CO2 detector in all units with gas appliances. The CHG provides the detectors and has them placed in each living level in all units. Tenant is prohibited from tampering with or disconnecting the detectors or any other safety equipment. If any CHG employee or HUD inspector finds a detector that was made inoperable by a Tenant, a member of the household or a guest within the tenant's unit, the Tenant will be charged \$25.00 for each occurrence. Tenant will be charged accordingly for the repairs and charges will appear on their monthly rent statement.

SMOKE FREE HOUSING

Smoking is not a legal right and smoke-free policies do not infringe on the legal rights of individuals. Smokers are not a protected class under any state or federal law. The term "smoking" means inhaling, exhaling, breathing, carrying, or possessing any lighted cigarette, pipe, cigar, water pipe tobacco (hookah), other tobacco product or similar lighted product in any manner or in any form. This also includes electronic cigarettes, Vape Pens, vaping which are defined as any electronic device that provides a vapor of nicotine and/or other substances to the user as she or he simulates smoking. The term shall include such devices whether they are manufactured or referred to as e-cigarettes, e-cigars, e-pipes or under any product name.

In accordance with HUD regulations, all CHG properties are designated as Smoke Free and therefore applies to all residents, guests, visitors, service personnel and employees. Smoking is prohibited in all interior areas, including but not limited to community rooms, and bathrooms, lobbies, reception areas, hallways, laundry rooms, stairways, offices, elevators, and within all designated living units. Smoking is prohibited in outdoor areas other than the designated smoking area, including but not limited to entryways, porches, sidewalks, parking areas, playgrounds, and patios.

Certain developments may have a designated smoking area which is defined as an outdoor area of the development property or grounds designated by the CHG as a place for smoking. The designated smoking area will be marked by proper signage and must be located a minimum 25 feet from any building or tenant gathering area.

SNOW AND ICE

Residents of Jane Frazier Village, River Bend Court & Banneker Gardens are responsible for clearing ice and snow from the front and rear sidewalks leading to their units within 24 hours of the end of precipitation as per City of Cumberland ordinance. Residents should exercise good judgment in placing snow that they remove from the walks. Never throw it out into the streets or other areas where your neighbors or the Maintenance Department will have to move it again. Do not place shoveled snow against the building or foundation. Please do not use salt or other chemicals on your walks as they damage the concrete, grass and plants.

The Maintenance crews get to the public walks and drive areas as soon as possible. Residents may be required to move their vehicles to allow for clearing of snow.

TENANT'S OBLIGATIONS

To use the dwelling unit solely as a private dwelling for Tenant and Tenant's household (including foster children and Live-in Aide(s)) as identified in the Lease and attachments, and not to use or permit its use for any other purpose.

1. To abide by necessary and reasonable regulations published by the CHG for the benefit and well-being of the housing project and Tenants. These regulations shall be posted in a conspicuous manner in the project office and incorporated by reference in this Lease. Violation of such regulations constitutes a violation of the Lease.
2. To avoid acting in any way that could be considered disturbing, inappropriate, objectionable, or a nuisance by neighbors. To make sure that all family members, and any persons related to or "affiliated with" the Tenant also avoid acting in any such way. The Tenant is responsible for the behavior of his/her guests throughout the property from entrance to exit. The Tenant is expected to uphold the CHG's standards of maintaining a decent, safe, and sanitary environment at all housing developments.
3. To assure that the Tenant, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant, shall not engage in:
 - A. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the CHG 's public housing premises by other residents or employees of the CHG; or
 - B. Any drug-related criminal activity or possession of paraphernalia on or off the premises shall be cause for termination of tenancy, and for eviction from the unit. (For the purposes of this lease, the term drug-related criminal activity means the illegal possession, manufacture, sale,

- distribution, use or possession with intent to manufacture, sell, distribute, or use, of a controlled substance as defined in Section 102 of the Controlled Substances Act.);
- C. CHG will evict any person who CHG determines is illegally using or in possession of a controlled substance, or whose illegal use or possession of a controlled substance is determined by CHG to interfere with the rights of other Tenants. The use of Medical Marijuana is prohibited by Federal Law and therefore is prohibited on this federally subsidized housing property including your unit;
 - D. Alcohol abuse is grounds for termination of tenancy if CHG determines that such abuse interferes with the health, safety, or right to peaceful enjoyment of the premises by other Tenants.
4. To act in a cooperative manner with neighbors and CHG Staff. To refrain from and cause members of Tenant's household occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant to refrain from acting or speaking in an abusive or threatening manner toward neighbors and CHG staff. Abusive or violent behavior towards CHG staff includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination or denial. Threatening refers to oral or written threats or physical gestures that communicated intent to abuse or commit violence. Actual abusive or violent behavior will always be cause for termination.
 5. Not to display, use, or possess or allow member of Tenant's household or guests to display, use or possess any illegal firearms, (operable or inoperable) or other offensive and illegal weapons as defined by the laws and courts of the State of Maryland anywhere in the unit or elsewhere on the property of the CHG.
 6. To avoid obstructing sidewalks, areaways, passages, hallways, elevators, or stairs, and to avoid using these for purposes other than going in and out of the dwelling unit.
 7. Signs, advertisement, notices or other lettering shall not be exhibited by any Tenant either inside or outside the leased premises without the prior written consent of the CHG.
 8. To refrain from, and cause members of Tenant's household to refrain from, keeping, maintaining, harboring, or boarding any animal of any nature in the dwelling unit or on the grounds of any CHG development except in accordance with the CHG's Pet Policy, unless a verified disability warrants the possession of a service animal or assistance animal.
 9. Not to commit any fraud or otherwise violate any regulation or provision in connection with any Federal housing assistance program, and not to receive assistance for occupancy of any other unit assisted under any Federal housing assistance program during the term of the lease.

TERMINATION OF THE LEASE

The Lease may be terminated for violations of the terms of the Lease, such as failure to make payments due under the lease or to fulfill Tenant obligations set forth in the designated attachments, or for other good cause. Such violation shall **include but not be limited to:**

1. Repeated late payment, which shall be defined as failure to pay the amount of rent or other charges by the due date. Four such late payments within a 12-month period shall constitute a repeated late payment;
2. Failure to pay utility bills when Tenant is responsible for paying such bills directly to the supplier of utilities;
3. Serious or repeated damage to the dwelling unit, creation of physical hazards in the unit, common areas, grounds, or parking areas of any project site;
4. Any fire on CHG premises caused by carelessness;
5. Determination that a family member has knowingly permitted an ineligible non-citizen not listed on the lease to permanently reside in their housing unit;
6. Determination or discovery that a Tenant is a registered sex offender; or
7. Any other good cause.

NOTICE OF TERMINATION

1. The notice of termination to Tenant shall state specific reasons for the termination, shall inform Tenant of his/her right to make such reply as he/she may wish, and of Tenant's right to examine CHG documents directly relevant to the termination or eviction.
2. When the CHG is required to offer Tenant the opportunity for a grievance hearing, the notice shall also inform Tenant of the right to request such a hearing in accordance with the CHG's grievance procedures.
3. Any notice to vacate (or quit) which is required by State or local law may be combined with, or run concurrently with the notice of lease termination under this section. The Notice to Vacate must be in writing, and specify that if Tenant fails to quit the premises within the applicable statutory period, appropriate action will be brought against Tenant, and Tenant may be required to pay the costs of court and attorney's fees.
4. When the CHG is required to offer Tenant the opportunity for a grievance hearing concerning the lease termination under the CHG's grievance procedures, the Tenant shall not terminate (even if any Notice to Vacate under State or local law has expired) until the period to request a hearing has expired, or (if a hearing is requested) the grievance process has been completed.
5. When the CHG is not required to offer Tenant the opportunity for a hearing under the grievance procedure and the CHG has decided to exclude such grievance from the CHG grievance procedure, the notice of lease termination shall:
 - A. State that Tenant is not entitled to a grievance hearing on the termination;
 - B. Specify the judicial eviction procedure to be used by the CHG for eviction and state that HUD has determined that this eviction procedure provides the opportunity for a hearing in a court that contains the basic elements of due process as defined in HUD regulations; and
 - C. State whether the eviction is for a criminal activity that threatens health or safety of residents or staff or for drug-related criminal activity.
6. The CHG may evict Tenant from the unit only by bringing a court action.

In deciding to evict for criminal activity, the CHG shall have discretion to consider (or not to consider) all of the circumstances of the case, including the seriousness of the offense, the extent of participation by or awareness of family members, and the effects that the eviction would have both on family members not involved in the prescribed activity and on the family's neighbors. In appropriate cases, the CHG may permit continued occupancy by remaining family members and may impose a condition that family members who engaged in the prescribed activity will neither reside in nor visit the unit. The CHG may require a family member who has engaged in the illegal use of drugs to present credible evidence of successful completion of a treatment program as a condition to being allowed to reside in the unit.

When the CHG evicts a Tenant from a dwelling unit for criminal activity, the CHG shall notify the local post office serving that dwelling unit that such individual or family is no longer residing in the unit so the post office will stop mail delivery for such persons and the former tenants will have no reason to return to the property.

The Tenant agrees to remove from the household for the duration of the lease period any household member, guest, or invitee that the CHG has barred from the property whether by simple notification to the Tenant, trespass warrant or court order.

In the event that a unit is occupied by only one tenant who becomes deceased, the unit will be secured by the Maintenance Department with a special lock on the door(s). Once the personal representative of the estate comes forward with proper documentation to provide proof of their appointment, the lock(s) will be removed. Tenant's representatives will be given fifteen (15) days from the date of death to remove the Tenant's belongings and return the unit to the CHG.

WHEN YOU VACATE

When you vacate the unit, please clean your home thoroughly. Move out cleaning and repair charges will be deducted from your Security Deposit and any remaining amount due will be collected through legal remedies. Please turn all keys into the CHG office after you have vacated. **DO NOT TURN KEYS IN TO MAINTENANCE PERSONNEL UNLESS PREVIOUSLY APPROVED BY THE CHG OFFICE.**

YARD SALES

Due to infestations of roaches, fleas, bedbugs, etc., tenants are discouraged from purchasing items from yard sales, flea markets, etc. If purchases are made do so with extreme caution and inspect the item carefully. Yard sales conducted by the tenants on the grounds of the CHG properties are not permitted.

UTILITIES

Those utilities which are supplied by the CHG are identified in the Lease Agreement. The CHG will not be liable for the failure to supply utility service for any cause beyond its control.

If a Tenant resides in a development where the CHG does not supply electricity, natural gas, or trash collection, a Utility Allowance shall be established, appropriate for the size and type of dwelling unit, for utilities that the Tenant pays directly to the utility supplier. The Total Tenant Payment (the amount a tenant is expected to contribute for rent and utilities) less the Utility Allowance equals the Tenant Rent that shall be paid monthly. If the Utility Allowance exceeds the Total Tenant Payment, the CHG will pay a Utility Reimbursement to the utility supplier each month. The CHG may change the Utility Allowance at any time during the term of the lease, and shall give the Tenant 60-day written notice of the revised Allowance along with any changes in Tenant Rent or Utility Reimbursement. If Tenant's actual utility bill exceeds the Utility Allowance, the Tenant shall be responsible for paying the actual bill to the supplier. If Tenant's actual bill is LESS than the Utility Allowance, the Tenant shall receive the benefit of such saving. Failure to maintain utility service is grounds for immediate eviction due to the safety and welfare of the developments and Tenants.

Tenant supplied utilities must be established in the Tenant's name prior to moving in. The Tenant is to promptly pay any utility bills for utilities supplied to the Tenant by a direct connection to the utility company, and to avoid disconnection of utility service for such utilities. CHG is not responsible for paying Tenant utility bills. Any amounts billed to CHG when a Tenant has failed to establish utilities in his/her name will be charged to the Tenant on their rent statement, and Tenant will be mandated to establish utilities in their name immediately or be subject to eviction.

Failure by the Tenant to maintain essential utilities (electric or natural gas) shall be considered a health and safety hazard and grounds for the termination of the lease. If the CHG has found that your electric has been turned off and it is evident that tenant is not reachable, then the refrigerator will be immediately cleaned out and the tenant will be charged for labor and materials, and if necessary a new refrigerator if the current one cannot be salvaged due to mold, mildew or infestation.

Tenant also hereby authorizes all utility companies to provide management with data regarding Tenant's monthly consumption of utilities for the purpose of establishing initial and updated utility allowances.

UTILITY CONSERVATION

The CHG has implemented a large amount of energy conservation measures at all developments in order to provide utilities at an affordable rate and in an efficient manner regardless of whether the CHG or the tenant pays for the utilities. Tenant agrees not to waste the utilities provided by the CHG and to comply with any applicable law, regulations, or guideline of any governmental entity regulating utilities or fuels.

Natural Gas - Use only what is absolutely necessary. The gas stoves are to be used for cooking only, not as a source of heat. Not only is this practice costly, but also it is extremely dangerous. Over a period of hours, there is a buildup of noxious and fatal gases and at the same time, the oxygen in the room is being consumed. This can lead to death of pets, children and adults and could be the cause of an explosion.

Electricity - The cost of electric service has more than doubled in recent years. Please turn off lights when you are not in a room or when you leave the house. Be sure that any electrical equipment that you use is in good operating condition, especially as to cords and switches. Energy saving bulbs should always be used.

Water - In order to help conserve this utility, we ask that all Tenants promptly report any leaks or dripping

faucets to the CHG Office so that repairs can be made. Also, make sure that all faucets are turned completely off when you are not drawing water. Washing vehicles is prohibited at all sites. Do not waste water, either hot or cold.

Tenants can also help conserve energy by following some of the procedures listed below:

1. Keep drapes and blinds open during the day on windows facing the sun so that any available sunshine will be absorbed indoors.
2. At night, keep drapes and blinds closed and they will act as an insulator to keep heat inside and keep chilly drafts off the occupants.
3. Do not open windows in cold weather.
4. Do not block air registers with furniture and/or curtains.
5. **Kerosene heaters are prohibited** by the CHG and the State Fire Marshal.
6. Electric heaters will be permitted which have a safety control for tipping, a cut off when a certain temperature is reached, a control for the amount of time it stays on and are currently UL certified.

CARE OF THE UNIT AND GROUNDS

TENANT OBLIGATION

The Tenant is obligated to:

1. Comply with the requirements of applicable state and local building or housing codes, materially affecting health and/or safety of Tenant and household;
2. Use reasonable care to keep this dwelling unit in such condition as to ensure proper health and sanitation standards for Tenant, household members and neighbors;
3. Refrain from, and to cause members of Tenant's occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant to refrain from destroying, defacing, damaging, or removing any part of dwelling unit or project;
4. Notify the CHG promptly of any need for repairs to the dwelling unit, and of known unsafe or unsanitary conditions in the dwelling unit or in common areas and grounds of the community; and
5. Report the need for repairs in a timely manner to minimize any damage that occurs.

APPLIANCES

A cooking range and refrigerator is supplied for all units. Other appliances may be supplied depending upon the development. Tenant shall use these appliances in a reasonable and proper manner, as well as maintaining them in good and clean condition, reasonable wear and tear expected. Any cost to repair damages resulting from misuse of appliances, equipment, facilities, or plumbing by Tenant shall be borne by Tenant.

A clean refrigerator and freezer will keep food fresh and cold for a long time. Periodically wash the inside of your refrigerator and the gaskets around the doors with warm soapy water. Gaskets on the refrigerators and freezers should be clear of crumbs, dried liquids and other debris which can cause the seal to stick and result in being torn. Tenants will be charged for the replacement of refrigerator/freezer seals resulting from improper cleaning.

Clean the enamel parts of your stove, when cold, with warm soapy water and wipe it off with a dry cloth. Never use cold water on the enamel parts of a stove while hot. Try to be careful and protect the enamel surfaces against hard knocks that may chip or crack them. Burners and drip pans should be cleaned frequently and always remove grease promptly.

Tenant owned washers, dryers or other approved appliances are subject to inspection by the CHG. The Tenant will be notified of any deficiency found and will be responsible to have the item cleaned or repaired within the amount of time stated. Failure to do so will require the removal of the Tenant owned appliance.

Other major electrical appliances such as: window air conditioners, washers, dryers, etc., may be installed at Jane Frazier Village only. An Excess Utility or monthly service charge will be payable by Tenant for the

electrical or gas operated appliances which are not supplied by CHG and the utility is paid by the CHG. Any appliance not reported to the CHG but found at a later time will be automatically charged back to the last inspection of the unit.

Banneker Gardens - residents are not permitted to use the areas around the hot water tanks and furnace for storage due to government safety regulations. The closet doors to the hot water tanks and furnace cannot be blocked or removed. Tenants are only permitted to have stackable washer/dryer due to space.

ALTERATIONS TO UNIT

The Tenant, his employees or agents **shall not** permit or make any structural alterations, repairs, changes or redecoration to the interior or exterior of the dwelling unit or cause to be erected any structure or device in, about or upon the leased premises. This also includes the mounting, hanging or otherwise installing any of the following, but is not limited to:

1. Flat screen televisions or other such devices;
2. Using tape, nails, tacks, screws, brackets, or fasteners on any part of the dwelling unit including walls, ceilings, doors, cabinets, woodwork or any other surfaces of the leased premises;
3. Radio aerial, television antenna or satellite receiver;
4. Video surveillance, security alarm or other similar devices or equipment including any type of audible alarms on the exterior of the unit or mounted on any surface inside of the unit;
5. Extra towel racks, shelves, etc.
6. No changes to locks, door knobs or install new locks on doors
7. Install additional equipment such as a washer, dryer, air conditioner or other major appliances in which already exist or do not have the necessary hookups.
8. In any manner deface, damage/destroy floors, walls, ceilings, woodwork, windows, doors, stone or ironwork of the leased premises,

Tenant shall neither deliberately nor negligently destroy, deface, damage, impair or remove any part of the apartment or premises, or permit or fail to prevent any person in the apartment or on the premises to do so, (whether known or unknown by tenant). Tenant shall immediately notify the CHG as to any damages which occur and shall reimburse the CHG for such damages. Once damages related to the above are made known or discovered by staff, actions to correct the damage or infraction will be immediately addressed by the Maintenance Department. The Tenant will be charged accordingly for the repairs and charges will appear on their monthly rent statement.

FIRE DAMAGE TO UNITS

If the cause of the fire is determined by the Fire Marshall, or any other investigating party, not to have been caused by the Tenant, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant, the following Rules shall apply:

1. The Lease for the apartment shall terminate as of the date of the fire, unless it is determined by the Fire Marshall or investigating authorities that the apartment is habitable, and then in that event, the Lease shall continue;
2. If the Fire Marshall, or other investigating authorities, determines that the apartment is not habitable, the liability for rent will cease proportionately to the date of the fire;
3. If the Fire Marshall, or other investigating authorities, determine that the apartment is not habitable, the Tenant, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant at the time of the fire shall be required to remove all personal belongings from the damaged unit within twenty-four (24) hours after the fire is extinguished and the unit is released by the Fire Marshal;
4. The Tenant will not be liable for the deductible cost to CHG; and
5. The Tenant will be offered an apartment that CHG may have, or, that may be coming available within the near future. The Tenant will not be required to reapply for housing.

If the cause of the fire is determined by the Fire Marshall, or any other investigating party, to have been caused by the Tenant, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant, and the unit is declared uninhabitable, the following Rules shall apply:

1. The Lease shall terminate as of the date of the fire;
2. The liability for the rent ceases on payment proportionately to the date of the fire;
3. The Tenant, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant, at the time of the fire shall remove all personal belongings from the apartment within twenty-four (24) hours after the fire is extinguished and the unit is released by the Fire Marshal;
4. The Tenant will be liable for the deductible expense to CHG, currently the first \$2,500 (or greater if increase occurs); and
5. The previous Tenant will be required to apply for housing with CHG, if they desire to remain with our program. The determination for admitting the applicant will be according to CHG's Admission and Occupancy Policy (Public Housing) or Tenant Selection Plan (Section 8 PBRA).

FENCES

The CHG is removing fencing from all CHG properties. Additional or tenant supplied fencing is not allowed. Where fencing exists, it must be kept free of grass, shrubs, trees, etc. Nothing can be attached or otherwise placed on any fencing.

GARBAGE

The Tenant is to refrain from, and cause members of Tenant's household, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant to refrain from littering or leaving trash and debris in the rental unit or common areas. The rental unit must be kept in a clean, sanitary and safe condition at all times.

Garbage, rubbish and other waste shall be removed from the dwelling unit in a clean and safe manner and placed in trash receptacles, chutes or dumpsters provided by the CHG. Do not send small children to put garbage in the dumpster as they cannot reach the lid and garbage is left on the ground. No loose bagged or boxed garbage or trash is to be left outside of the rental unit as this is a serious health violation.

A lease violation will be issued and a charge of \$5 per bag/box will be posted to your rent statement for any garbage bag/box left outside of your unit (will be considered trash regardless of the content) or outside of the dumpster.

A trash room with a trash chute is located on each floor of our mid- and high-rise developments. Please place all garbage in "Kitchen Size" (13 gallon or less) garbage bags and tie it before disposing of it. Do not use trash bags larger than 13-gallon or kitchen size as they will not fit down the chute. Boxes of any type are not to be placed in the trash chute and are to be taken to the recycling container. Pizza boxes must be crushed up and contained within the trash bags. If you wish to dispose of any items and you are not sure that the chute will accommodate them, please check with the site office or Maintenance Department.

The garbage collection company has established Mondays as the day to remove large furniture items from the family development premises such as couches, tables, chairs, mattresses, etc. Tenants are to place these items beside the dumpster not in front of it. Mid- and High-rise developments are to arrange for the removal of these items on their own.

The garbage collection company **WILL NOT** remove the following items from our site: tires, televisions, electronics, washers, dryers and therefore they are not permitted to be placed on our property for disposal. These items must be disposed of offsite by the tenant. If any of these items have to be picked up by maintenance there will be a charge to the Tenant.

GROUNDS – All Developments

The CHG Maintenance Department is responsible for the care of all common grounds used by the community as a whole. However, keeping up the appearance of the development is a job that you and the CHG share. Tenants are required to clean up litter and other forms of trash after their family members or guests in all common areas such as sidewalks, entrances, porches, yards, parking areas, hallways, laundry facilities, community rooms and other common use areas. If you see trash remove it and always deposit your trash in a waste container.

All entrances, sidewalks, walkways, hallways, door entries, stairs, parking areas, etc. which are designed for the exclusive use of Tenants, are to never be blocked and must be kept free from hazards and trash; free of debris and litter; and keeping yard and walks free of bicycles, strollers, toys, wheel chairs, furniture, or other similar articles and are to be stored inside of the rental unit. Shopping carts are not permitted on the CHG grounds and are considered stolen property. Tenants in possession of these carts or seen bringing them onto CHG property will be reported to the police department and a lease violation will be issued. The only exception to this will be those high-rise tenants which previously purchased their own carts as long as the carts remain in their units.

The tenant shall not permit anything to be thrown out of the window of the apartment as well as climbing onto or laying items on the canopies or roofs. The act of dusting or shaking of mops, brooms, or other cleaning material out of either the windows or the doors above ground level of the leased premises is also not permitted.

GROUNDS – Family Developments

Due to the varying development age, design and improvements being performed, all developments have different types of exterior areas which are provided with the rental unit and the tenant is therefore responsible to maintain.

Front Porch – All rental units that have an exterior front entrance have a small entry porch. The Tenant shall not keep **any** items on their front porch so as to not impede access to the unit.

Rear Patio or Assigned Area (Jane Frazier Village and River Bend Court) – The items permitted to be in this area are limited to: a commercially designed patio table and maximum of six (6) chairs designed and sold as patio or outdoor furniture, no more than one operating bicycle per person residing in the unit, one propane or charcoal grill and two (2) medium sized flower pots. These items must be on the designated patio or within the assigned area between the common area walk and the building adjacent to your unit. Any items not in the designated area will be removed by maintenance and discarded.

No Rear Patio or Area (all Banneker Gardens units) – Tenants are not permitted to store anything outside of the unit including flower pots, chairs or other accessories.

Storage Unit – If the rental unit is supplied with a storage unit, which are being removed from all units over time, it is to be used for toys, nonflammables, etc. Residents are required to apply a key or combination lock to the exterior storage unit to prevent entry by small children and becoming entrapped.

Miscellaneous - Tires, wheels, car parts, etc. are not to be stored on the site. Flammable materials are to be stored outside of the unit and limited to 1 quart of charcoal lighter fluid if there is a charcoal grill **or** one 20-pound propane tank if attached to a gas grill. Tools and toys of any kind are to be stored in the unit. If these items are found unattended in common areas, yards, etc., they will be disposed of immediately.

The CHG's insurance carrier does not permit tenants to have patio canopies, instant tent shelters, tents, etc. Outdoor furniture made of skids or other non-traditional material is not considered furniture and is not permitted. The CHG reserves the right to restrict any items that are outside on your porch, patio and/or designated area. All walks, parking areas, yards, playgrounds, etc. are considered common areas.

HOUSEKEEPING STANDARDS

In an effort to improve the livability and conditions of the apartments owned and managed by the CHG, uniform standards for resident housekeeping have been developed for all Tenant families.

1. CHG Responsibility: The standards that follow will be applied fairly and uniformly to all Tenants. The CHG will inspect each unit at least annually, to determine compliance with the standards. Upon completion of an inspection the CHG will notify Tenant in writing if he/she fails to comply with the standards. The CHG will advise Tenant of the specific correction(s) required to establish compliance, and indicate that training is available. Within a reasonable period of time, the CHG will schedule a second inspection. Failure of a second inspection will constitute a violation of the lease terms. Training will be available at no cost to any Tenant requesting or needing assistance in complying with the Housekeeping Standards.
2. Tenant Responsibility: Tenant is required to abide by the standards set forth below. Failure to abide by the Housekeeping Standards that result in the creation or maintenance of a threat to health or safety is a violation of the lease terms and can result in eviction.
3. Cleaning Standards-General Interior:
 - A. Walls and Ceilings should be clean, free of dirt, grease, and holes, cobwebs, and fingerprints. Walls should be dusted often. Woodwork that is painted may be washed with a solution of mild soap and water. Do not place your furniture tight against walls, as doing so will damage them.
 - B. Floors should be clean, clear, dry and free of hazards.
 - 1) Hardwood floors - use a dust mop. Certain spots, such as those around the front door or the bathroom, usually become soiled quickly. Wipe the spots with a damp cloth, being careful to use very little water. Wooden Floors should NOT be washed with excessive amounts of water at any time. Use a mild soap only if necessary.
 - 2) Vinyl tile or ceramic floors should be washed with lukewarm water and mild soap, then rinsed and wiped dry. **Do not use any form of wax** on these floors.
 - 3) Carpet is to be vacuumed weekly and periodically cleaned using a carpet scrubber or a professional carpet care cleaning service.
 - 4) Tenant installation of carpet with adhesive or tack board is strictly prohibited. Area rugs or rolled out carpet is permitted as long as it does not contribute to a safety hazard.
 - 5) The legs of beds and other pieces of furniture sometimes mar floors. Glass or rubber caps under the legs will prevent this. They cost a few cents each and are worth the expense. When you vacate the apartment, be careful not to scratch the floors.
 - C. Windows should be clean with shades or blinds intact and operating correctly.
 - D. Doors and handles should be clean, free of grease and fingerprints. Doorstops should be present. Locks should work.
 - E. Heating units should be dusted and access around units uncluttered.
 - F. Storage areas, closets, etc. should be neat, clean and free of hazards.
 - G. Trash should be stored in a covered container and is to be routinely disposed of properly and not left in the unit.
4. Cleaning Standards-Kitchen:
 - A. Stove burner pans and the oven are to be cleaned periodically avoiding build up and to be free of food and grease.
 - B. The refrigerator & freezer seal is to be kept clean and should not be torn. Freezer door should close properly and freezer should have no more than one inch of ice.
 - C. Cabinets, closets and food storage areas should be kept clean and neat. Cabinet surfaces and counter top should be free of grease and spilled food. Cabinets should not be overloaded. Storage under the sink should be limited to small or lightweight items to permit access for repairs. Heavy pots and pans should not be stored under the sink.
 - D. Exhaust Fan should be free of grease and dust.
 - E. Sink should be clean, free of grease and garbage. Dirty dishes should be washed and put away in a timely manner.

5. Cleaning Standards-Bathroom:
 - A. Toilet should be flushed, kept clean and odor free.
 - B. Tub and shower should be clean and free of excessive mildew and mold. Where applicable, shower curtains should be in place, and of adequate length.
 - C. Sink and Counter Top should be clean.
 - D. Exhaust fans should be free of dust.
 - E. Floor should be clean and dry.

6. Cleaning Standards-Outside the Residential Unit:

The following standards apply only when the area noted is for the exclusive use of Tenant:

 - A. Yards are considered common areas, and any items in the yards will be removed by the CHG staff and immediately thrown away.
 - B. Porches (front and rear), steps, and sidewalks should be clean and free of hazards including snow and ice.
 - C. Parking lot should be free of abandoned, inoperable and unregistered vehicles. Car repair or washing in the lots is not permitted.
 - D. Storage Containers: all items are to be stored inside of the containers. The tops and sides of the containers are not to be used for items. Containers must be kept closed and padlocked at all times unless in use. All outdoor items, if permitted, are to be maintained in the exterior storage unit if one is supplied.
 - E. Food Debris and pet food are not to be placed outside the unit for the purpose of feeding birds, cats, dogs, etc. and is strictly prohibited.
 - F. No interior type of furniture or other furniture not primarily designed for exterior usage will be permitted outside of the unit.

LAUNDRY

Clotheslines, or any homemade type of line, shall not be erected or used at any time. Laundry or other articles shall not be hung for any purpose from the outside of Tenant's apartment including, but not limited to, fences, balconies, patios and other exterior areas of the Tenant's apartment.

Each rental unit at Jane Frazier Village, River Bend Court and Banneker Gardens have hook ups for tenant supplied washer and dryers with the following requirements:

1. Only one washer and one dryer are permitted per unit and they must be in good safe mechanical and electrical operation. Due to the limited space, the washer and dryer at Banneker Gardens must be the stackable kind and the door to the laundry area must be able to fully close and cannot be removed.
2. Your washer and dryer must be located adjacent to the equipment utility connections. No other location will be approved or allowed by the CHG.
3. Notify the Maintenance Department at 301-724-2055, if you need any assistance in the hook up of your washer or dryer. Please allow up to 30 days for maintenance installation. There will be No Charge to the Tenant for these services.
4. The dryer must be vented to the outside at all times and the lint filter routinely cleaned. No indoor water system for dryers is permitted.

Those developments which have not had the washer and dryer use included with the Utility Allowance calculations, a monthly charge for additional utilities used will be charged and included on the monthly rent statement.

Coin operated laundry facilities are provided on the ground floor at each mid-rise and high-rise development and in the community building at River Bend Court. These facilities are for Tenant use only and available on a first come, first serve basis. Please obey the posted hours and laundry facility rules.

Washers and Dryers will not be allowed inside of the mid-rise and high-rise development units. Washers and Dryers will be permitted in development units where the proper laundry hook ups are installed.

PARKING

Parking on property owned and managed by the CHG is a privilege subject to the requirements of this policy. This policy will be enforced by the employees of the CHG.

Vehicle Registration

1. Except as otherwise provided by this policy, only registered vehicles are authorized to park on property owned by the CHG.
2. Tenants shall be limited in the number of vehicles they can register for their rental unit based upon the development where they rent, as follows:
 - A. Tenants residing in Jane Frazier Village, River Bend Court and Banneker Gardens shall be eligible to register two (2) vehicles per rental unit; and
 - B. Tenants residing in John F. Kennedy Apartments (a.k.a. "Wills Creek View"), Queen City Tower, Willow Valley Apartments and Grande View Apartments shall be eligible to register one (1) vehicle per rental unit.
3. Vehicle registration is conducted at the main office of the CHG, located at 635 East First Street or at the site office at John F. Kennedy Homes, Queen City Tower or at the Furnace Street office.

Tenant Parking

1. The CHG has provided unassigned parking spaces which shall be used only by registered vehicles on a first come, no reservation basis. Cars shall be parked only in designated spaces.
2. Tenants shall not park in spaces reserved for visitors.
3. Boats, campers, trailers, buses, trucks (larger than pickup trucks) and commercial vehicles are not to be parked, kept or stored on the premises without the prior written approval of the Cumberland Housing Group.
4. Motorcycles, Mopeds and Scooters must be parked and stored in a parking space and **NOT** in the unit or in the yard.

Visitor Parking

Some developments/buildings have spaces that are reserved for visitor parking. Tenants are responsible for their visitors and should inform them of these requirements:

1. Visitors may not park in the general residential parking areas.
2. Visitors may only park in visitor spaces for 24 hours.
3. Residents with visitors that need parking for longer than 24 hours are required to contact their Property Manager or the Security Patrol Officer and obtain approval on a parking location for the visitor. Special authorization *may* be granted if space permits, allowing visitors to use resident parking when visitor parking is not available.
4. Visitor parking is very limited in some areas. Overflow parking for visitors is on the city streets.

Handicapped Parking

All vehicles utilizing handicapped spaces must display a state-issued permanent license plate or state-issued hangtag designating it as authorized to park in a handicapped space. If this requirement is not met, the vehicle may be towed. Having a handicapped designation does not exempt the vehicle from the other requirements of this policy.

Parking on City Streets

The Cumberland Police Department enforces resident parking on Memorial Avenue, Somerville Avenue, and other city streets bordering our properties as it relates to local and state laws. Second Street between Memorial Avenue and Somerville Avenue is owned and regulated by the CHG not the City of Cumberland.

Citations

Citations may be issued by the CHG for violation of any of the following:

1. Performance of any form of automotive repair or the washing of any vehicle that is performed on the premises in parking spaces provided by the CHG or on city streets designated for the CHG parking. Automotive repairs include but are not limited to: oil changes; brake work; engine repairs; exhaust repairs; body work; etc.

2. Vehicle found to be leaking fluids of any kind. The leak must be immediately repaired, or the vehicle removed from the premises. The Tenant will be responsible to clean the area of any leak or pay for its cleaning.
3. Violation of any of the requirements of this policy, any requirements of the CHG Lease, and any applicable motor vehicle laws.

Towing of Vehicles

1. The following violations will result in the vehicle being **immediately** towed:
 - A. Parking in Fire Lanes designated by a curb painted red;
 - B. Blocking the garbage and recycling dumpsters;
 - C. Unauthorized use of a designated handicapped space by a vehicle not displaying State issued disabled license plates or issued parking placard;
 - D. Parking in No Parking area or area not marked as permitting parking;
 - E. Vehicle sitting on jacks or with one or more tires not on the ground;
 - F. Unregistered vehicles found on the CHG property that are banned from parking on the CHG property pursuant to this policy.
2. The following violations **must be corrected** and/or vehicle removed **within 24 hours** of being notified of the violation or the vehicle will be towed:
 - A. Abandoned vehicles;
 - B. Vehicles displaying expired or otherwise illegal state-issued tags (license plates, inspection stickers, etc.);
 - C. Disabled and/or inoperable vehicles;
 - D. Vehicles parked in a reserved area;
 - E. Double-parked vehicles;
 - F. Vehicles leaking fluids (area must be cleaned up by tenant);
 - G. Vehicles with one or more flat tires;
 - H. Vehicles parked in an area not designated for parking;
 - I. Registered vehicles parked in a visitor parking area;
 - J. Unregistered vehicles parked on CHG property and not in a visitor parking area.
3. Once the towing company has arrived on site, the CHG is no longer authorized to cancel the tow. If you show up at your vehicle to move it, the tenant will then need to comply with the towing company's policies. The towing company shall also remove any parts or equipment (body or engine parts, jacks, tools, etc.) directly connected to the vehicle to be towed. In all cases, the tenant or visitor will be responsible for all towing and storage costs.

Loss of Parking Privileges

1. Two (2) citations within a thirty (30) day period may result in a vehicle being towed immediately.
2. If a registered vehicle has been towed three (3) times within a three (3) month period, the resident's parking privileges may be suspended for a period of sixty (60) days during which time they will not be allowed to park on the CHG property. The Property Manager will notify the Resident, in writing of the dates of the suspension. If a resident believes the suspension is unfair, they may file a written appeal with the Director of Property Management Services or their designee, within seven (7) calendar days of receiving the suspension letter. The notification letter will explain the appeal process. The resident will be notified of the decision on their appeal within (7) calendar days of consideration of the appeal. If a meeting is scheduled, the decision on the appeal will be issued within seven (7) calendar days of the meeting.
3. A vehicle with suspended parking privileges will be towed each time it is discovered on the CHG property after being suspended. Repeated violations during suspension may result in the resident's parking privileges being permanently revoked.
4. Unregistered vehicles issued more than one (1) citation in a thirty (30) day period may be banned from parking on the CHG property, including visitor spaces.

When parking or driving through a development, please show courtesy to your neighbors. Do not block cars in the lots for any reason. Since there are many children in the developments, please observe and obey all speed limit signs.

PAINT, WALL COVERINGS, DECALS

The Tenant shall not perform or permit the painting, application of wallpaper, contact paper, borders, stickers, appliques, decals, paneling, etc., to any portion of the leased premises. If the Tenant applies any of this to the dwelling the Tenant shall be responsible for charges incurred to immediately restore the unit surfaces back to the original condition when the unit was first leased by the tenant.

PICTURES AND FIXTURES

All items you wish to hang in your apartment **MUST BE HUNG BY OUR MAINTENANCE DEPARTMENT**. If it is discovered that you have hung your own items instead of having Maintenance do so, charges will be assessed for any damages. Within ten days of moving in and no more than one time per month, you may call in a Work Order Request to have our Maintenance staff hang your desired items at no cost to you. There is a limit of how many items can be mounted per room/rental unit.

Covering mechanical equipment such as electrical panels, thermostats, etc. with anything is not permitted. Nothing can be hung or mounted on interior/exterior of the doors or windows as this prevents proper operation of the door.

RECREATIONAL AREAS

Tenant and invited guests will be allowed to use the designated recreational facilities located on their development premises at their own risk and sole responsibility. All facilities close at dark and residents, children and guests are not permitted to occupy these areas after dark. The CHG reserves the right to discontinue the use of these facilities at any time deemed necessary to protect the interest of the community. Children are allowed to play in designated areas only. Bicycles or similar toys are prohibited from being ridden on the lawn. Any trash brought to the playground from drink or food containers must be removed. Trash cans are provided at each site. Personal property may be removed and placed in the dumpster if left unattended.

Playing in the parking lots is prohibited for children under 12 years of age unless under the supervision of a responsible adult. However, no playing is allowed by anyone around or between parked vehicles. Any damage done to a vehicle or property of the CHG, other residents or guests by a child will be the responsibility of the Tenant whose household the child belongs to.

The CHG's insurance carrier does not permit tenants to have any type of privately owned playground equipment on our property. Definition of playground equipment includes but is not limited to: swings or swing sets of any size or nature, trampolines, large play houses, pools, slip-n-slides, etc. of any size, any water based entertainment item, horseshoes, volleyball nets, badminton nets, basketball hoops, etc., or any other related items which can be found in a park or on a playground.

PLUMBING FIXTURES

Plumbing fixtures are defined as faucets, sinks, bathtubs, toilets, and washers. Please report immediately to the Maintenance Department at **301-724-2055** any leak regardless of the amount, or slow draining and clogged fixtures to avoid excess costs and damages.

The basic drain maintenance for sinks, toilets, etc. is to avoid placing certain items in the drains. Do not drop or place paper towels, newspapers, rags, balls, fish tank gravel, dirt, fats, oils, or grease or any other objects into fixtures as they will clog the drain. Fats, oils or grease can be disposed of by first allowing the substance to cool, then transferring it to a lidded container and throwing it out with the garbage.

The sink and tub should be cleaned using soap and hot water which is the best cleaner for enamel. Use a non-abrasive cleaner only if soap does not take off the stains. Once enamel is barely scratched it is very difficult to keep clean. Never place acidic foods or any other acids in your sink as they will stain it. Never pour leftover grease down the sink, tub or toilet for it will clog up the drainpipe. Never use abrasive cleaners to fiberglass tubs as it will cause permanent damage to the finish.

Clean toilet bowl regularly with toilet bowl cleaner and a toilet brush. The only items that should go down the toilet drain are toilet paper and bodily waste. Do not flush feminine products, wipes (even those

advertised as “flushable”), paper towels, tissues, diapers, or any other trash. These items should be disposed of in the garbage. The sewer systems at our developments and the City of Cumberland are not designed to handle these items. Flushing these items could cause the toilet to clog or overflow, and/or cause major plumbing or flooding damage. Damages caused by flushing improper items will be charged to the Tenant. Flush frequently so that there is no buildup of toilet paper. Two ply toilet paper can lead to clogging. It is also suggested that tenants purchase a sturdy plunger to keep on hand as most clogs that are encountered can be taken care of by using it and will avoid maintenance charges. When an emergency plumbing issue arises, such as a clogged shared sewer line between apartments/floors, entry into your unit may be mandatory and can be made without notice.

You will be charged for any materials and labor to unclog any plumbing fixture or sewer line which is the result of tenant negligence. If a maintenance staffer is called out on an overtime call to clear a clogged plumbing fixture the minimum charge is one (1) hour at the overtime rate. Your cooperation is appreciated in avoiding the need for unclogging a drain.

TREES AND SHRUBBERY

Shrubbery is planted and maintained in each development for the enjoyment of Tenants and to add pleasant Curb Appeal. You can help keep your rental community looking nice by not allowing vandalism and damage to occur. Explain to your children how important it is not to cut the bark, swing on the branches or leap off the branches of trees. Most children do not realize that trees will die from this kind of treatment. No flowers or shrubbery may be planted by the Tenant without the PRIOR written consent and inspection by the Director of Maintenance Services.

SWIMMING POOLS

Swimming pools or any other water-based entertainment item of any size are not permitted.

WINDOWS AND DOORS

Tenant shall not permit anything to be placed in, stuck to, hung from or otherwise placed on the outside of windows or doors. Nothing can be placed between the window and door blinds and the glass.

If there is only one window in a room, per the State Fire Marshall requirements, no window is to be blocked at any time by furniture, air conditioner, boxes etc. This is the only way out in an emergency.

Shades, blinds, or curtain rods are provided in our rental units. If the tenant wishes to have additional shades, blinds or rods, they must be white in color, and installed permanently by the maintenance department. Curtains in good condition and of appropriate size for the windows are encouraged. Torn, damaged, partially missing window treatments, blankets, bed sheets or other materials not designed as window covers are not permitted.

Missing window and door screens are a Health and Safety hazard and are required to be installed in respective openings at all times. If your screens need repairing, notify the Maintenance Department so that they can be fixed before the damage becomes too great for repairs. Those windows and doors discovered without a screen will be assessed the sum of \$25.00 per screen.

Be sure to close and lock your windows when you are away from home for security reasons. Keep your screen doors tightly latched so that they will not break in a high wind.

WINDOW AIR CONDITIONERS

Jane Frazier Village window air conditioners must be removed from the window and stored away by October 31st of each year and cannot be reinstalled until April 1st. Bedrooms with only one window at these developments cannot have a window air conditioner at any time due to the state fire marshal requirements that window being used for an emergency exit. All window air conditioners must be properly installed, secured and proper side panels used. Pillows, blankets, bags, cardboard, etc. is not permitted. No portable designed air conditioners are permitted anywhere due to the complications associated with the drain lines.

John F. Kennedy and Queen City Tower – Window air conditioners are supplied for each unit, maintained and owned by the CHG. Additional window air conditioners are not permitted. If the air conditioner is used during the winter due to medical reasons, it is not to be run constantly and not during below-freezing outside temperatures to prevent the unit from freezing up and being destroyed. If the CHG owned window air conditioner and/or surrounding panels is missing upon a tenant moving out or inoperable due to freezing up, the current charge to replace the air conditioner will be imposed.

River Bend Court, Banneker Gardens, Willow Valley and Grande View - central air conditioning is supplied to the units in these developments and therefore window air conditioners are not permitted.

SAFETY and SECURITY

We all know that unforeseen things happen. Burglary, vandalism, and disturbances of the peace are situations for the police to handle and fire and medical emergencies for the fire department to handle. Call 911 for these emergencies.

ACCIDENTS

Accidents involving personal injury or property damage that occur in or on any CHG property must be reported to the CHG Office or the CHG Security Patrol immediately. The CHG staff and/or the Insurance Carrier will perform an investigation into the accident.

GAS METER SAFETY

For the safety and security of our Tenants and convenience of the natural gas provider, nothing is to be attached to, placed on or stored within three (3) feet of your unit's gas meter. If any item is found under this condition, it is considered an immediate safety hazard to the neighborhood and the items will be removed and discarded by staff, without notice.

HAZARDOUS LIFE, HEALTH OR SAFETY DWELLING CONDITIONS

The Tenant is responsible for taking reasonable precautions to prevent fires and other health and safety conditions. **Explosives and any flammable fluids or material of any kind shall not be kept in or about the apartment or premises.** This includes, but is not limited to, kerosene space heaters, gas grills, charcoal grills or any other cooking device with a flame.

In the event that the dwelling unit is damaged to the extent that conditions are created which are hazardous to the life, health, or safety of the occupants, CHG shall be responsible for repair of the unit within a reasonable period of time after receiving notice from Tenant, provided, if the damage was caused by Tenant, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant, the reasonable cost of the repairs shall be charged to Tenant.

The CHG shall offer the Tenant a replacement dwelling unit (if one is available) provided the necessary repairs cannot be made within a reasonable time. The CHG is not required to offer Tenant a replacement unit if Tenant, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant, caused the hazardous condition. Tenant shall accept any standard replacement unit offered by the CHG.

In the event repairs cannot be made by the CHG, as described above, or alternative accommodations are not provided, then rent shall abate in proportion to the seriousness of the damage and loss in value as a dwelling. No abatement of rent shall occur if Tenant rejects alternative accommodations or if the damage was caused by Tenant, occupants, guests, Tenant's "family members" and any other persons "related to" or "affiliated with" the Tenant.

If the CHG determines that the dwelling unit is uninhabitable because of imminent danger to the life, health, and safety of Tenant, and alternative accommodations are refused by Tenant, this Lease shall be terminated, and any rent paid will be refunded to Tenant.

Tenant shall immediately notify the Property Manager of CHG of the damage and intent to abate rent, when the damage is or becomes sufficiently severe that Tenant believes he/she is justified in abating rent. Tenant agrees to continue to pay full rent, less the abated portion agreed upon by the CHG, during the time in which the defect remains uncorrected.

The Tenant shall not commit or permit any act or thing that CHG deems hazardous or that will increase the rate of insurance on said leased premises or the apartment project, this includes propping doors open to the community, disabling door locks or giving out keys or key codes to persons who are not on the lease or members of the household, unless written approval is provided by the CHG. Further, the Tenant agrees to comply with any and all obligations imposed upon the Tenant by current applicable building, housing, fire, safety and health codes, from all fines, penalties or cost for Tenant's violations thereof.

IDENTIFICATION

An identification (ID) card is mandatory of all Tenants on the lease residing in our developments who are 16 years of age or over. The CHG will issue an identification card at no cost to a resident if they do not possess a government issued picture identification card or valid driver's license. The ID is required for the following reasons:

1. The Security staff and City Police will request a Tenant to show their identification card if a problem arises and they need proof that the person is a Tenant. For those developments where the Tenant is issued a building access card, that card is considered adequate identification when locked out of your apartment.
2. Without one, you may be asked to leave the premises.
3. The Maintenance Department will not unlock a door for a Tenant who claims to be locked out without proper identification.

If a Tenant misplaces their ID Card and desires a replacement, the new card will be issued at a replacement cost. ID Cards must be returned upon removal from the lease of any household member, and/or upon move out. The ID Card will remain property of the CHG at all times.

INSURANCE FOR PERSONAL PROPERTY

Rental Insurance may be obtained through any insurance agent and is used to protect you from loss not covered by the CHG. This insurance is not required but the CHG strongly recommends that each household purchase this inexpensive protection for their personal property. In the event of a building fire, flood, break in, theft, roof leak, water or sewer overflows, vandalism or any other number of accidents or catastrophes, the buildings are insured by the CHG but not your personal property. Whether caused by the CHG, you or by another tenant or guest, **any damage incurred to your personal belongings is your sole responsibility not the CHG.**

RESTRICTED AREAS

Tenants, children or visitors are not permitted on the CHG Central Office property during the period when the office is closed other than to drop off items in the afterhours drop box. These areas include: office building perimeter; parking areas in front of the office complex marked for staff only; the driveway leading to the garages and the parking area in front of the maintenance garages; or around CHG vehicles. Vehicles will be towed and/or lease violation issued depending upon the violation.

Tenants, children or visitors are not permitted at any time to: climb onto the central office and maintenance roofs; climb onto the roofs of the stairways leading to the basements; the stair roof tops; climb onto the dumpsters; or walls around the dumpsters. Tenants, children or visitors are not permitted at any time to hang out around the abovementioned areas.

SAFETY PRECAUTIONS

DO NOT DELAY IN SPOTTING YOUR NEAREST FIRE ALARM BOX WHEN YOU MOVE INTO THE DEVELOPMENT. If no fire alarm box is nearby, find the nearest telephone, which will serve the purpose in an emergency.

DO NOT ignore, even for a moment, the odor of gas. Immediately open all windows and put out all flames. If you have checked and found that all the pilot lights are turned off, notify the gas company. Leaking gas can cause serious explosions.

DO NOT neglect any electrical appliance wires. Check carefully for frayed coverings, bent prongs on plugs and loose wiring.

DO NOT store paint, oil, gasoline, oily rags, clothes with oil or paint on them, or newspaper in your home or around it. These are first class fire hazards and the law states that they must be stored outside the unit.

DO NOT clutter up the space around stoves, electrical panels and hot water heaters. Do not block windows or doorways. Keep these areas clear at all times.

DO NOT place flowerpots or other items on outside window sills or balconies.

DO NOT allow children to throw glass, tin, nails, or other dangerous objects. They can cut their feet or other serious injuries may result.

Residents are asked to not tamper with the light switches in halls & stairwells. Lights remain on 24 hours a day for your safety. All children must be accompanied by an adult in the elevators, halls and stairwells.

SECURITY

In an effort to assist in the security of the community, management requires that tenants keep all outside doors locked and understand that should any tenant or their guest prop any doors open or disengage any locking system, management reserves the right to terminate the lease immediately. In addition, each household should take precautions such as keeping windows locked, turning in maintenance requests when any locks or windows are not working properly and informing management if a site light quits working, etc.

VANDALISM

If your unit is a victim of vandalism, such as torn screens or broken windows, graffiti, food items being spilled or smeared on doors, or concrete, etc., it will be your responsibility to clean up the outside of your apartment. If Maintenance Personnel is required to clean graffiti, food or other items resulting from vandalism to your apartment, there will be a tenant charge for labor.

VIOLENCE AGAINST WOMEN ACT

The owner/agent understands that, regardless of whether state or local laws protect victims of domestic violence, dating violence, sexual assault or stalking, people who have been victims of violence have certain protections provided through the Violence Against Women Reauthorization Act (VAWA) of 2019. If any applicant wishes to exercise the protections provided in the VAWA 2019, he/she should contact the owner/agent immediately. The owner/agent will not assume that any act is a result of abuse covered under the VAWA 2019. In order to receive the protections outlined in the VAWA 2019, the applicant/tenant must specify that he/she wishes to exercise these protections. The owner/agent will provide an individual with a copy of the VAWA Policy upon request.

WIRES

The presence of wires, extension cords, etc., across the floors, up the stairs, through windows/doors or their frames or other unapproved locations creates Health and Safety concerns and is not permitted. If a CHG employee or HUD inspector discovers a wire spread across the floor or up a stairway, the tenant will be assessed the amount of \$25.00. Failure to correct the safety violation or for repeated violations, a notice to vacate will be issued.

DO NOT LISTEN TO RUMORS. CHECK WITH THE CUMBERLAND HOUSING GROUP OFFICE FOR ACCURATE FACTS.
