

River Bend Court

Put In Your Application Now!

Welcome to the newest affordable housing development in Cumberland

We have opened our waiting list and are accepting applications for spring occupancy at this completely renovated development. The tenant controls the heat and central air. The apartments are energy efficient. A laundry facility, computer lab, and community center will be coming in Fall, 2021. Conveniently located to downtown at the intersection of Industrial Boulevard, Oldtown Road, Maryland and Virginia Avenues. We are now welcoming new tenants to make these apartments your home. Due to COVID our office is closed to walk-in clients but you can apply online or call for an application.
