SNOW AND ICE REMOVAL

Residents of Jane Frazier Village, River Bend Court & Banneker Gardens are responsible for clearing ice and snow from the front and rear sidewalks leading to their units within 24 hours of the end of precipitation as per City of Cumberland ordinance. Residents should exercise good judgment in placing snow that they remove from the walks. Never throw it out into the streets or other areas where your neighbors or the Maintenance Department will have to move it again. Do not place shoveled snow against the building or foundation. Please do not use salt or other chemicals on your walks as they damage the concrete, grass and plants.

The Maintenance crews get to the public walks and drive areas as soon as possible. Residents may be required to move their vehicles to allow for clearing of snow.

Hopefully there will be no more snow now that Spring is around the corner!

Why Renters Insurance Is A Good Idea:

If you rent, your personal belongings will not be protected against loss or damage unless you have a renter's insurance policy. Your landlord has insurance for structural damage to the building, and might even be protected against damage caused by tenants. However, this coverage does not extend to your personal property, nor does it protect you from being liable for damage you might cause to the building inadvertently (e.g., a kitchen fire or a plumbing mishap) or to others who are injured at your property (e.g., a trip and fall over toys or furniture). Please call or email the office to learn more about renter's insurance in Maryland, we can mail or email you a brochure or you can visit <https://insurance.maryland.gov/Consumer/Documents/publications/rentersinsurance.pdf> and <https://insurance.maryland.gov/Consumer/Documents/publicnew/Renters-Insurance-Rate-Guide.pdf>
