

## 2024 City of Cumberland Community Development Block Grant Program

City of Cumberland Community Development Staff announce the revision of the Community Development Block Grant (CDBG) 2024 Annual Action Plan proposed projects for funding. These 12 projects fall under one of three categories: Facilities/Infrastructure, Admin/Planning, and Public Services for a total of \$800,000; the estimated award from the U.S. Department of Housing and Urban Development. Associated Charities rescinded their applications for funding for the Long and Short Term Prescription Programs. The Parks and Recreation Improvements Project will be increased to \$182,040. The contingency plan remains the same. If the actual award from the U.S. Department of Housing and Urban Development is less than or more than the estimated amount, the contingency plan is to subtract or add those funds as appropriate to the total award for the Parks and Recreation Improvements project identified below. These proposed CDBG projects are expected to appear on the agenda for approval at the regular Mayor and City Council meeting on Tuesday, June 18, 2024. The plan was not approved on May 7, 2024 due to this new information.

Project Name	2024 CDBG
