Re: Hardware for New Doors

On Wednesday, November 11th, 2026, beginning at 8:00 a.m., contractors will be onsite to begin replacing hardware on the newly installed doors in order to make locking and unlocking the door easier. They will also be touching up paint on the exterior trim from the install. The estimated amount of time for each apartment is 20 minutes.

Please make sure your animals are crated and your children are supervised. Entry will be made into the apartment regardless of someone being home.

If you have any questions, please direct them to your property manager.
